

Billing Information

Water bills are due at the receipt of the bill for water read for the previous month. After the 15th of each month the bill will be subject to a late fee. If bill is not paid by the 30th of each month the meter will be locked and a \$50.00 reconnect fee will be added to the bill.

Anyone needing special assistance for back payment, water leaks or anything that would prevent our customers from being able to pay current bill or back billing, must contact the business office before the 15th of each month.

If you have any questions please contact our office at 936-853-2611.

Thank you for your support.
