

## POLLOK-REDTOWN WSC SERVICE AGREEMENT

made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ between **Pollok-Redtown Water Supply Corporation**,  
a corporation organized under the laws of the State of Texas (hereinafter called PRWSC) and  
\_\_\_\_\_  
(hereinafter called the Applicant)

PRWSC requests Ten (10) working days notice to install a new meter. Charges listed are for short service. Long Service (over 10 ft.), road cuts or bores, extra charges will apply per the Operator's invoice.

Applicants must complete the new member Application and pay listed fees in advance. Proof of ownership of the property designated to receive service must be provided as well as a Driver's License or Picture ID. The Right of Way Easement for the property must be signed and notarized. (A Notary Public is available at the Business Office at no charge to the applicant.) In certain cases, the Application and Picture ID may be sent by fax or email. However, the Right of Way Easement to the property must be notarized. When faxing or emailing, the R.O.W notarization will be the applicant's responsibility and must be properly submitted before service is established.

The Membership Fee is \$200.00. The charge for the meter, installation of meter and Right of Way filing totals \$800.00. The addition of the Equity Buy-In Fee of \$200.00 brings the Total charge for installation of new service to \$1200.00. If requested, the new applicant may enter into a Deferred Payment Agreement (DPA), by paying \$600.00 down and the remaining balance of \$600.00 at \$100.00 per month for 6 months. A Deferred Payment Agreement must be signed. The DPA installment will be in addition to the regular water bill

PRWSC shall sell and deliver water service to the Applicant and the Applicant shall purchase, receive, and/or reserve service from PRWSC in accordance with the bylaws and tariff of PRWSC as amended from time to time by the Board of Directors of PRWSC. Upon compliance with said policies, including payment of a Membership Fee, the Applicant qualifies for Membership as a new applicant or continued Membership as a transferee and thereby may hereinafter be called a Member.

The Member shall pay PRWSC for service hereunder as determined by the PRWSC tariff and upon the terms and conditions set forth therein, a copy of which is available for inspection in the business office during regular office hours. A copy of this agreement shall be executed before service may be provided to the Applicant and the Member acknowledges receipt hereof by execution of this agreement.

The Board of Directors shall have the authority to discontinue service and cancel the Membership of any Member not complying with any policy or not paying any utility fees or charges as required by PRWSC published rates, fees, and conditions of service. At any time service is discontinued, terminated or suspended, PRWSC shall not re-establish service unless it has a current, signed copy of this agreement.

All water shall be metered by meters to be furnished and installed by PRWSC. The meter connection is for the sole use of the Member or customer and is to provide service to only one (1) dwelling or one (1) business. Extension of pipe(s) to transfer utility service from one property to another, to share, resell, or submeter water to any other persons, dwellings, businesses, or property, etc., is prohibited

PRWSC shall have the right to locate a water service meter and the pipe necessary to connect the meter on the Member's property at a point to be chosen by PRWSC and shall have access to its property and equipment located upon Member's premises at all reasonable and necessary times for any purpose connected with or in the furtherance of its business operations, and upon discontinuance of service PRWSC shall have the right to remove any of its equipment from the Member's property. The Member shall install, at their own expense, any necessary service lines from PRWSC facilities and equipment to the point of use, including any customer service isolation valves, backflow prevention devices, clean-outs, and other equipment as may be specified by PRWSC. PRWSC shall also have access to the Member's property for the purpose of inspecting for possible cross-connections, potential contamination hazards, illegal lead materials, and any other violations or possible violations of state and federal statutes and regulations relating to the federal Safe Drinking Water Act or Chapter 341 of the Texas Health & Safety Code or and the corporation's tariff and service policies.

PRWSC is responsible for protecting the drinking water supply from contamination or pollution which could result from improper practices. This service agreement serves as notice to each customer of the restrictions which are in place to provide this protection. PRWSC shall enforce these restrictions to ensure the public health and welfare. The following undesirable practices are prohibited by state regulations:

- a. No direct connection between the public drinking water supply and a potential source of contamination is permitted. Potential sources of contamination shall be isolated from the public water system by an air gap or an appropriate backflow prevention assembly in accordance with state regulations.
- b. No cross-connection between the public drinking water supply and a private water system is permitted. These potential threats to the public drinking water supply shall be eliminated at the service connection by the proper installation of an air gap or a reduced pressure-
